

The N2 Dreambuds

The Official Newsletter of the Nursery 2 Class

VOLUME I, ISSUE 2

SEPTEMBER 2, 2013

This week, we will be learning about...

- ... Recognising the sound of letter Ee
- ... Counting from 1 - 15
- ... Different Community Helpers
- ... molding clay
- ... action words!

Spotting Letter H!

N2 had fun spotting the letter "H" written in a heart shaped paper along with other letters. It was a great activity that got the children wanting for more! ☺

REMINDERS

Please come to school before 8:30 AM. Please also make sure that your child has had breakfast before 8:30 so that classes start on time! ☺

Please do not forget to sign your child's parent communication notebook every day.

Please wear the school uniform in the mornings! ☺

Doctor, I Am Sick!

We pretended to be doctors and patients as we tried to find out how doctors help us with their hands. The children had fun with finding out about their weight and height scales and charts! ☺

Count, Count, Count!

Counting fingers, counting shapes... we learn our numbers in so many ways! We used cut out shapes and pictures to stick on our number chart.
