

Cambridge CDC and Cambridge ISC Celebrate Family Day

Last June 30 (Saturday), Cambridge CDC and Cambridge ISC held the second annual Family Day event. Parents, children and families were all invited to a fun-filled day with lots of games and performances from the students.

The welcome address was given by T. Shaola, school principal. The spirit cheers of the four teams followed and it was fun to hear each team try to best each other during the cheers! That was followed by a dance number by the teachers and then, the family

games began! They played Family Newspaper Dance, Pass The Lemon, Tug O'War and the Sack Race. In between the games, Kindergarten 2 and Grade 1 classes danced to very catchy and fast tunes, which everyone enjoyed! In the end, the Green team won the games. Congratulations, Green Team! And Congratulations as well to the other teams who did their best!

We would like to thank all our families who took time out of their busy schedules to join

our event. The smiles and laughs and cheers from everyone will always make this year's Family Day memorable.

See you at the next Family Day!

New Principals for Cambridge CDC and Cambridge ISC

Left to right: Teacher Maricel and Teacher Shaola

We welcome our new principals for Cambridge ISC and Cambridge CDC!

Ms. Shaola Gutierrez is an

early childhood educator from the Philippines. She graduated from the BS Family Life & Child Development program of the University of the Philippines. She has worked with international curriculums and created literacy programmes for pre-school, Kindergarten and the Primary grades as well. She will be joining our staff to help teachers improve their teaching skills and techniques to make learning more effective and more fun for our children in the next school year!

Ms. Maricel Lotivio is a

Primary grades teacher who has a specialization in Special Education. She finished her Master's Degree in Special Education in the Philippines. Teacher Maricel has extensive experience with handling classes in special education, pre-school and Kindergarten both in the Philippines and in Cambodia as well. She has helped schools develop effective curriculums and we are very much looking forward to having her as part of our family!

Please feel free to drop by and have a chat with them!
